Title: PAUL MARTIN SIMON  
LEVEL II  
PRESIDENTIAL APPOINTMENT/SENATE CONFIRMATION

Synopsis: Initiation of background investigation (BI) on captioned candidate.

Administrative: BUDED is 11/05/96.

NOTE: As a result of discussions with representatives of the White House (WH) and various Congressional committees (CC) for which the FBI conducts BIs, changes in certain procedures/policy involving those BIs have been made. These changes must be followed when conducting WH and CC BIs. The changes are addressed below.

All WH and CC BIs conducted by the FBI are initiated within the 161 classification with one exception. BIs for certain Presidential Appointment positions requiring Senate confirmation are initiated under the 77A subclassification. These BIs vary in scope depending upon the position for which the candidate is being considered. They are conducted using only the SF-86 and its accompanying release forms.

In 9/95, the SF-86 and one of its accompanying release forms were revised. Additionally, a second accompanying release form was created to be used when obtaining medical information about a candidate. As a result of instructions issued by the Office of Management and Budget regarding these revisions, and other considerations, SIGBIU management contacted WH and CC

representatives to discuss the scope of our BIs, especially with respect (although not limited) to the areas of mental health and alcohol related counseling, prior illegal drug use, prescription drug abuse, and other drug activity. As a result of these discussions, changes in certain policy involving BIs conducted by the FBI for the WH and CC have been made. These changes are addressed below and must be followed in this BI, and all future BIs conducted for the WH and CC, unless otherwise instructed by the SIGBIU, FBIHQ. Except for these changes, investigation in all other areas addressed in these BIs is to remain the same.

RECEIVING OFFICES ARE TO ENSURE THAT A COPY OF THAT EC IS PROVIDED TO EACH INDIVIDUAL (I.E., BUREAU EMPLOYEE OR BICS SPECIAL INVESTIGATOR) CONDUCTING INVESTIGATION IN CAPTIONED MATTER. Additionally, when sending followup leads to other field offices/BICS Regions not known to be involved in captioned matter, "ensure" that a copy of this EC is provided to those field offices/BICS Regions.

To the extent that they do not conflict with the policy/procedure changes herein, the investigative guidelines set forth in MIOG, Part I, Sections 77 and 161, and Part II, Section 17, are to be referred to for assistance in conducting investigation in captioned matter. However, to the extent those guidelines are in conflict with the changes, the guidelines are to be disregarded and the changes followed.

#### POLICY CHANGES

##### I. CANDIDATE INTERVIEWS

Regardless of the scope, i.e., the timeframe, to be addressed in candidate's BI, the "INITIAL" candidate interview is to address each of those areas set forth in MIOG, Part II, Section 17-5.6 (1)(a)-(n), for the candidate's entire adult life, i.e., since his/her 18th birthday, EXCEPT FOR COUNSELING. Only information pertaining to counseling received by the candidate "WITHIN THE SCOPE OF THE BI" is to be solicited and addressed, and then, only as specifically set forth below under the "COUNSELING/COUNSELOR INTERVIEWS" section.

When addressing each of the areas with the candidate, he/she is to be advised of their scope. The fact that questions addressing each of the areas were asked, as well as candidate's responses thereto and knowledge of their scope, must be clearly set forth in the FD-302 reflecting the results of the candidate's interview.

If the candidate refuses to answer any question, that

Louis   From: Personnel Division  
Re: 161B-HQ-1186059, 10/09/1996

is to be clearly set forth in the FD-302 reflecting the results of the candidate's interview. An effort should be made to obtain from the candidate an explanation for refusing to answer and, if provided, the explanation is also to be reported in the FD-302. If the candidate refuses to provide an explanation, that also is to be reported. Thereafter, no further efforts to obtain a response to the question candidate refused to answer should be made, unless instructed by SIGBIU, FBIHQ.

## II. COUNSELING/COUNSELOR INTERVIEWS

A. Counseling information to be solicited from the candidate is to be limited only to that information set forth in questions 21 and 25 of candidate's SF-86, except that the information is to cover "only" the scope of candidate's BI (but not prior to his/her 18th birthday). For example, if the scope of candidate's BI is 15 years, then counseling information solicited from the candidate, and to be addressed in the BI, must be limited to the last 15 years or since candidate's 18th birthday, whichever is less. Counseling which occurred outside the scope of the candidate's BI is "not" to be solicited or addressed, unless otherwise instructed by SIGBIU, FBIHQ.

NOTE: The new policy also prohibits marriage, family, or grief counseling from being solicited and addressed, except where violence by the candidate is involved.

B. For interviews of counselors, a copy of an executed "Authorization for Release of Medical Information" form must be utilized. NOTE: The questions which can be asked of counselors are limited. In addition to verifying the dates of the counseling, the questions asked are to be "limited only to the three questions set forth on the aforementioned release." The counselor is to be instructed to provide only that information he/she believes is responsive to each of the three questions. Each question is to be specifically asked and answered, and responses to each clearly reported in the FD-302/insert reflecting the interview results.

Because information concerning counseling is limited to the scope of the BI, if the candidate voluntarily provides counseling information which occurred outside the scope of the BI, that information is to be fully explored with the candidate only during his/her interview, recorded and reported. However, no additional investigation is to be conducted concerning the information, unless instructed to do so by SIGBIU, FBIHQ. The fact that the information beyond the scope of the BI was volunteered by the candidate, and not solicited (except as further explored with the candidate) by the FBI, must also be clearly set forth in the FD-302 reflecting the results of the

candidate's interview.

### III. THIRD-PARTY INTERVIEWS

The area of bias and prejudice is to be addressed during interviews of persons knowledgeable of the candidate in "all" 161 classification BIs. Prior policy required that this area be addressed only in BIs involving Presidential appointments.

Field offices/BICS Regions are reminded that neither the investigative status of a background investigation nor any deadlines are to be disclosed to the candidate or any interviewees. Candidates making inquiries of the status of their investigation are to be referred to the client entity.

Direct results/questions to PSS [redacted] supra. Advise SIGBIU (PSS [redacted] and appropriate field offices of any derogatory information in accordance with MIOG, Part II, Section 17-5.1(1). If Buded will not be met, telephonically advise PSS [redacted] and set forth reason(s) in Administrative Section of investigative report. SIGBIU facsimile numbers are (202)324-2574 and (202) 324-1373.

**Enclosures:** Being forwarded to each field office/BICS Region with a hard copy of this EC, via Bureau mail, is one copy each of the following: candidate's SF-86 dated 9/25/96, Authorization for Release of Information dated 9/23/96, and Authorization for Release of Medical Information dated 9/23/96.

**Details:** Bureau has been requested by the WH to conduct a Level II BI of candidate.

You may omit temporary military duty locations under 90 days (list your permanent address instead), and you should use your APO/FPO address if you lived overseas.

For any address in the last 5 years, list a person who knew you at that address, and who preferably still lives in that area (do not list people for residences completely outside this 5-year period, and do not list your spouse, former spouses, or other relatives). Also for addresses in the last five years, if the address is "General Delivery," a Rural or Star Route, or may be difficult to locate, provide directions for locating the residence on an attached continuation sheet.

• **Previous Periods of Activity.** Complete these lines if you worked for an employer on more than one occasion at the same location. After entering the most recent period of employment in the initial numbered block, provide previous periods of employment at the same location on the additional lines provided. For example, if you worked at XY Plumbing in Denver, CO, during 3 separate periods of time, you would enter dates and information concerning the most recent period of employment first, and provide dates, position titles, and supervisors for the two previous periods of employment on the lines below that information.

## FEDERAL BUREAU OF INVESTIGATION

Date of transcription 11/7/96

PAUL MARTIN SIMON, Senator, United States Senate, Washington, D. C. was advised of the official identity of the interviewing Agent and the purpose of the interview, that is to ensure that questions regarding his possible violations of federal election laws were complete, accurate, and current. The appointee voluntarily provided the following information:

The appointee was questioned regarding the entries listed on the SF-86 regarding violations of federal election laws. He was aware the inquiries into the Committee on Ethics would reveal very limited information and stated he would help in any fashion.

SIMON advised the Federal Election Commission has set forth a series of laws which those who run for elected office must try to comply. After his 1988 run for the Presidency SIMON was advised he had violated several of these laws such as over spending in the State of Iowa. After having received the information from the commission he forwarded the information to the ethics committee for review. He stated the ethics committee took no action and the Federal Election Commission took no action. He stated he did not have copies of the violations and due to the time frame that has passed the old news papers may be the best source of information.
